

French (MFL)- Whole School Overview

In MFL we aim to provide children with an exciting and stimulating introduction to the world of languages. By the end of year 6 we aim for all pupils to have studied a broad range of topics allowing them to develop the key skills of speaking, listening, reading and writing. Throughout their time in KS2 we encourage pupils to develop a knowledge of French phonics, grammar & vocabulary and to speak with correct pronunciation and intonation to ensure they continue their language learning journey in KS3 with confidence and enthusiasm.
