### **Try this Fun-Time Extra**

Think of ways that you could be like a hero to someone else.
Make a list of ideas of small things, that are kind and that would help them. Try putting some of these into action today.

#### **Hero Dad**

He's never scaled the foothills of the Himalayas or climbed Mount Everest.

Never parachuted from a plane or circumnavigated the planet.

Never swam the breadth of any river or explored the North Pole.

But to his daughter rapping him up from his deep dreaming to rid her bedroom ceiling of that spider creeping by in furtive spurts sending jiggles down her nerves –

He is a hero all right — a sleepy-eyed knight mounting that high horse of a stool a paper napkin his only armour — See how he catches the eight-legger and sets it free to weave a safer harbour.
