

Getting to know you

Dear Y2s,

We are so excited to welcome you to Dobcroft Junior School. From watching our videos you have found a little bit about the Year 3 teachers. We would now like to find out about you!

We would like you to tell us all about yourself. We would love to know who your friends are, what you enjoy doing in school, what you enjoy outside of school, who you live with, whether you have any pets....

There are several ways you can do this and all can be sent to enquiries@dobcroft-jun.sheffield.sch.uk with your teacher's name as the subject title.

You could:

- Write us an email
- Make a video of yourself talking
- Make a poster and take a photo of it

Please try and do this by Friday 10th July.

We are looking forward to hearing from you.

From

Mrs Kirk, Miss Fee, Mrs Scammell and Mrs Collis
