**Based on nature**

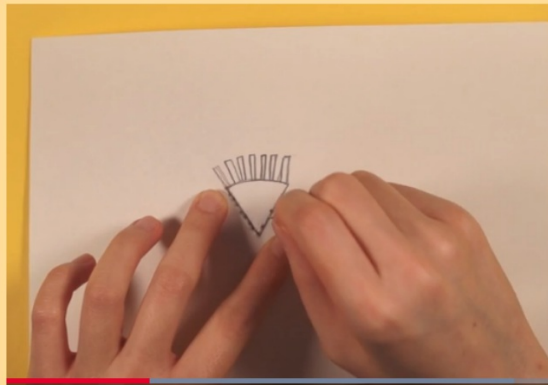

Mrs Collis' ideas

**1) Put your design on top of your potato**

**2) Use a paper clip to poke holes along the edge of the desi**

**think about what parts of the design  
you want to receive paint**

---

**carve away the parts you don't  
want to receive paint**

**Carve away bits you don't want to have paint on.**

**pat the potato dry with a paper towel**

---

**use a wet paint brush to spread the paint evenly on the potato**

---

**press your design on a sheet of paper**
