What's happening and when	Joachim's personal thoughts to share with his diary about what's happening	Atmosphere and how to create it (word choice/punctuation)	Direct speech or reported speech to move the story on or show character	Cohesive links

**Challenge: include bursts of formal subjunctive tone to allow Joachim to make it clear how vital some things were.**

If we **were** to...

It was necessary **that**

It was vital **that**

It was essential **that**

The tunnel required **that**...
