L.O: To retrieve information from a text (Immersion)

Do you know
who this is?

Why do you think he
might be famous?

Context

All over the UK there are children whose families have low income or who live on money from the government (benefits)

Marcus Rashford has campaigned for this to happen during the holidays and during corona virus lockdown.

These children are given access to free meals at school so they definitely have one warm, healthy meal a day.

He wants low income families to know that there is support for them. He wants everyone to have access to healthy food.
