Time Line	Impact	Total Spent
2020 - 2021	18 sports leaders to led twice weekly (socially distanced) active lunchtime sessions for all year 3 class bubbles to build and develop confidence, fitness and activity levels during non-structured times of the day.	
2020 - 2021	We now have a total of 24 standing desks across the school. The desks are highly sucessful and offer the opportunity for children to utilise a standing desk if they find certain times of the day and 'sitting still' challenging. Desks are deployed across school as required.	
January - February 2021	Take up was very good with between 30 and 65 children attending each session. Feedback from pupils and parents was very positive and the children enjoyed wearing gymnastics kit and being	
2020 - 2022	Subscription fee includes: termly network meetings, 2 development meetings with network staff, advice on PE and sport planning, CPD and training updates & health check.	
2021 - 2022	Add comment on take up	

2020 - 2021	<p>Development of action plan, review of resources, implementing and reviewing our assessment process, observation of PE lessons, improved knowledge from practical workshops & lectures at conference - initiatives can be then used in school. A number of observations have been carried out in our school by the Head Teachers. Outstanding / very good PE lessons evidences that staff are feeling confident in teaching high quality PE lessons. The subject leaders also monitor the termly plans and KLP's submitted by class teachers and are confident that teaching and learning is progressive across the school, offering a challenging and inclusive curriculum. Staff are also required to carry out termly assessments, again evidencing confidence in assessing the skills of pupils.</p>
-------------	--

2020 - 2021	Resources deployed amongst bubbles with structured activities set up at lunchtimes.
2020 - 2021	To continue to monitor quality of equipment. Next year we will need to purchase a new set of gymnastics mats to support the teaching and learning in our gymnastics skills lessons.
May-21	To replenish sand for long jump pit to ensure jumping activities are safe and the pit is ready for our school games day and games lessons.
Jul-21	To assess impact in the next academic year.

2020 - 2021	To continue to monitor and assess the provision of swimming for our Year 4 cohort of children.
Jun-21	School Games Day was a great success. All children including our children with SEND were fully involved and bubbles were maintained during the day. Feedback from students has been exceptionally positive as activities involved full cooperation at each of the events adopting a relay-style approach in many of the activities and the children were motivated to collect points for their house teams
2020 - 2021	During PE lessons, athletes were trained in specific rounders and athletics skills to ensure they were fully prepared and coached for the events. The year 6 athletics team secured a 1st place at the primary athletics event, participating in running events, long jump and javelin throw.
