

JUNIOR SCHOOL

Together we make a difference

School Uniform for Children

- The Governing Body made the decision to adopt a school uniform following the parental ballot in 2007 following consultation with parents in both Dobcroft Infant and Junior Schools.
- All children are expected to wear school uniform and appear smart and presentable at all times. All staff will make children aware if their dress does not conform to the school's uniform policy. We ask parents to ensure that all items of school dress are marked with their first name and surname. Sew in labels are preferred but indelible writing on a label in biro is better than nothing.
- On school trips children will be advised whether school uniform is required. School uniform is not required for residential visits.
- Reasonable adjustments regarding school uniform are made on a case by case basis in line with our accessibility and equality policies. Parents should email the headteacher if they feel that school uniform, or elements of it are not appropriate for their child.
