

Key Stage 2 Outcomes- Dobcroft Junior School

Below are the outcomes of the KS2 tests which our Y6 children took this year (July 2019).

The expected standard in the tests is a scaled score of 100 or above. The scaled score range runs from 80 to 120. In order to achieve the expected standard children need to score 100-109. To achieve the greater depth standard children need to score 110-120. Progress measures are a measurement of how much progress a child has made from the end of year 2 to the end of year 6. A positive figure indicates that a school has added value to a child's progress. Combined figures show the percentage of pupils who achieved the standard in all 3 subjects.

2019	Pupils achieving the expected standard				Pupils achieving the greater depth standard				Average scaled scores				Progress measures
