## Reports and Transition 2025-2026: Year 3,5 and 6

Dear Parents & Carers,

I hope this letter finds you all well and that you are enjoying the summer months. It is suddenly that time of the year to share our plans for transition between year groups and update you on class teachers for the next academic year. Alongside this communication you will also receive an electronic copy of your child's report.

Please note classes have not been mixed for current year 3 and year 5 as we feel they are settled and established ready for the next academic year.

### Year 3,4 & 5 Transition Reminders

- **On Tuesday 15<sup>th</sup> July all pupils in current Y3, 4 and 5** will spend the afternoon with their new teachers (and Y4 new classmates) in their new classroom
- All children should arrive at school at the usual time and they will be dismissed at the end of the day by their new class teachers, in their usual drop off areas.
- Year 6 pupils will be taught in the current year 3 classrooms by other staff, and should arrive to class as normal. End of day routines will be the same.
- **Open evening: On 15<sup>th</sup> July from 3.45pm-4.45 pm** class teachers will be available in the classrooms to discuss anything *relating to this academic year or to speak to next year's class teacher*. Please note this is an ad hoc drop in and if you would like a longer conversation please email the school office to organise a time.
