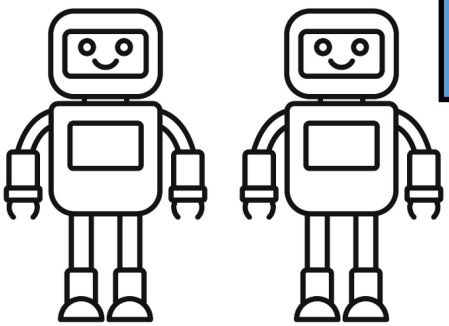
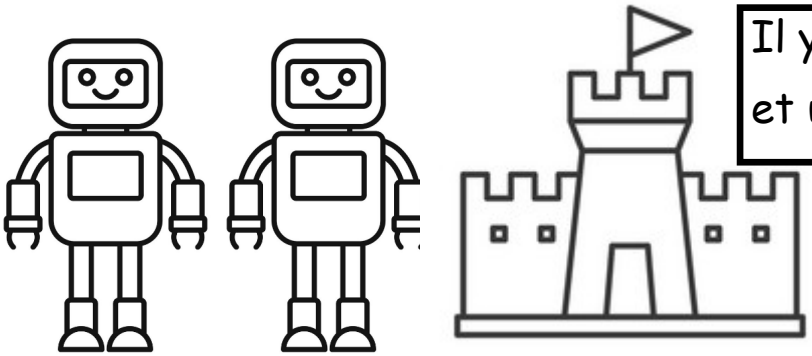
Colour in the robots and castles according to the French.

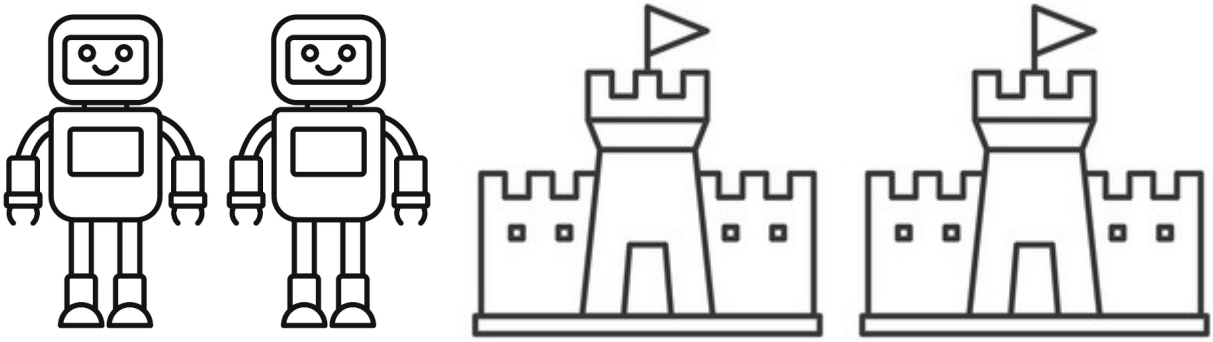
Then use the French colour sheet to write your own sentence. Draw the robots and castles in the correct colour to illustrate your sentence.



Il y a un robot vert et un robot rouge.



Il y a un robot bleu, un robot noir et un château marron.



Il y a un robot blanc, un robot jaune, un château rose et un château violet.

Key words

Il y a = there is / there are

Un = a or 1 et = and

Château = castle

robot= robot

Un robot bleu = a blue robot

Notice how the colours come AFTER the noun they describe in French.
